MELKA WINES

**Tasting Notes:**

The aromatics show vanilla, caramel and blackberries. The wine is delicious; the entrance is round with a nice soft texture, it is juicy and finishes with perfumed bright cherry.

The second offering of Melka Wines is 100% Napa Valley Cabernet Sauvignon.

CJ was named for Cherie and Philippe's children whose names appear on the bottom of the label. Chloe and Jeremy are also the creators of the fun and playful artwork. As a representation of both the growth of their children and of the winery, the art work will change and grow, reflecting both the refinement of their children and their beautiful wines.
