

**Mi Sueño  
2000  
Cabernet Sauvignon**

**Tasting Notes:**

The 2000 vintage is the premiere release of Cabernet Sauvignon from Mi Sueno Cellars. The grapes for this wine were sourced from the Coombsville area of Napa. Rolando Herrera became familiar with this region while consulting with Paul Hobbs from Paul Hobbs Winery. This wine shows blue-black color and an exceptionally dense nose of briar and woodland fruits. Flavors are evocative of extracted ripe berry, chocolate, dark tobacco and spice, and show through to the pure finish. Only 395 cases produced.
